Re: Request for Information Pursuant to Section 104(e) of
CERCLA for the Stickney Avenue Landfill and the Tyler
Street Dump Sites in Toledo, Ohio

Dear Ms. Adams:

This will respond to the REQUEST FOR INFORMATION dated August 12, 1993 (the "Request") which was forwarded by mail to the Buckeye Brewing Corporation, Miller Brewing Company, 3939 West Highland Boulevard, Milwaukee, Wisconsin 53201 by Thomas W. Mateer, Chief, Superfund Program Management Branch. Miller received this request on August 18, 1993.

The Miller Brewing Company did not send any materials to the Stickney Avenue Landfill and the Tyler Street Dump Sites during the years in question on its own behalf. Further, the Miller Brewing Company has no knowledge of any materials or activities regarding the landfill or dump sites which may have been conducted by the Buckeye Brewing Corporation since the Miller Brewing Company at no time owned or was related to the business conducted by that corporation in Ohio during the years 1951-1981.

The Miller Brewing Company purchased certain assets, tradenames and trademarks of Meister Brau, Inc., a Delaware corporation, in June of 1972. These assets consisted of beer inventories, trademarks, tradenames, brand names, patents, copyrights, formulas, marketing records, etc. of the company which at the time included the trademarks and tradenames of Buckeye Brewing Corporation.

At no time, did the Miller Brewing Company own or control any land or tangible assets of the company nor supervise, control or manage any of the business operations of Meister Brau, Inc. or its subsidiary company Buckeye Brewing Corporation, either before, during or after the acquisition.

We have attached a copy of the purchase agreement between the two companies which provides the details of the acquisition agreement.

Based on this fact, the Miller Brewing Company would respectfully request that any reference to the Buckeye Brewing Corporation at this address or in connection with a listing of the Miller Brewing Company be removed from connection with the landfill and dump sites. If you should have any other questions or require any additional information, please feel free to contact me directly.

Very truly yours,
